A close-up photograph of a woven textile, likely a basket or rug. The pattern is a complex, repeating geometric design, possibly a variation of a twill or a more intricate weave. The colors are earthy, ranging from light tan and beige to various shades of brown, including dark chocolate and near-black tones. The texture appears slightly raised and uneven, characteristic of hand-woven materials. The lighting is somewhat uneven, highlighting the texture and the interplay of colors in the weave.

A close-up photograph of a dark brown, textured surface, possibly a book cover or endpaper. The texture is composed of a dense, repeating pattern of small, rectangular, raised elements, creating a woven or quilted appearance. The lighting highlights the three-dimensional quality of the texture, with some areas appearing slightly darker than others.
